STAT

Dear [redacted]

How nice of you to write. I was on the HANSON,
and never once dreamed that duty there would lead me
to this new assignment. I've heard from other HANSON
shipmates-- [redacted]

[redacted] Not sure if your tour overlapped
theirs or not.

I have especially appreciated hearing from ship-
mates and hope we can get together if I am in San Francisco.

Thanks again for your thoughtful letter, and best
wishes.

Yours,

STANSFIELD TURNER
Admiral, U.S. Navy
